

Evaporated Fruits

Special new shipment just received. They make dainty table foods.

The progress made in drying fruits is one of the most surprising of recent years. The most delicate fruits can now be preserved by drying or evaporation and retain their original flavor without the aid of jars or canning.

Our new stock is particularly fine.

Good Teeth

are worth more than their weight in gold to anyone. Some of us possess them; others do not. The most perfect teeth, if neglected become worthless, pain-jumping stumps. You say I have good teeth. How can I keep them so? By using good powder like

ALOHA TOOTH POWDER

you can make them like a string of pearls. This well known dentifrice is absolutely pure, free from grit. It is delightful to use. Makes the breath fragrant. It is the best for children. 25 cents.

Some people prefer a tooth wash and to these we recommend our Aloha Tooth Wash, a delicious liquid dentifrice. 25 cents.

H. A. C.'S DEFEAT MAILES.

With one of the smallest houses of the season the H. A. C's beat the Mailes 10-6. The game was not as good as it might have been. The H. A. C's showed their superiority as batters though they have had fewer base hits from Hampton than any other pitcher. At the end of the sixth inning the prospects were pretty good for the Mailes, the score standing 6-3 in favor of the H. A. C's. In the next inning, however, Hampton broke down and let too many take their bases on balls and then he threw wildly. Joy was not as good as usual. He, too, let a number take bases. In the latter part of the game there was a general change. Joy caught, Williams pitched and Clark went to first in place of Gleason who quit. Russell umpired the game. A wire netting has been put around the edge of the roof to keep the foul balls from going over. There were but 457 paid admissions. The score by inning was as follows:

FIRST INNINGS.

Cusack was first to bat. He flew out to leftfield. Cogswell hit to Ennsue who put him out at first. Roberts made a safe hit into leftfield. Grady took base on balls putting Roberts on second. Ryan struck out. Ennsue flew out into centerfield. Gleason made a safe hit into leftfield. When he was on first he said pitcher made a balk and he started for second base but the pitcher threw to second who made a bad throw to first hitting Gleason who ran safely to second. Williams struck safely to short putting Gleason on third. He then stole second. Aylett flew out to leftfield but Gleason got home and Williams got to third. Joy made a safe hit to centerfield bringing Williams home. Louis hit to pitcher who put him out.

SECOND INNINGS.

Delorie sent a ball into centerfield where it was thrown to first and he was put out. Robinson and Dehart both took their bases on balls. Hampton hit to short who threw to second who threw to first making a double out. Williams hit to second who fumbled the ball letting him get safe. Fernandez took his base on balls putting Williams on second. Cavalho struck out. Williams then stole third and by a bad throw from catcher to third he got home. Fernandez got to third on catcher's bad throw and got home on a bag throw from leftfield. Ennsue grounded one to second who put him out at first. Gleason struck out.

THIRD INNINGS.

Cusack took his base on balls and then stole second. Cogswell had three strikes but the catcher dropped the ball and in order to put him out catcher had to throw to first letting Cusack come home. Roberts hit to Ennsue who dropped the ball letting him get safe. Grady struck to Joy who threw to second putting Roberts out. Ryan hit to second who threw to first putting him out.

Williams sent the ball safely into rightfield. Aylett hit a two bagger into centerfield putting Williams safely on third, but in trying to get home Williams was put out. Joy knocked to second who put him out at first. Louis hit to Roberts who made bad throw so that Louis got to second and Aylett got home. Williams hit to pitcher who put him out at first.

FOURTH INNINGS.

Delorie and Robinson both struck out. Dehart sent a grounder to second who stopped him at first. Fernandez hit safely to centerfield. He then started for second, catcher threw well to second but Cusack dropped the ball. By the same kind of an error on the part of Roberts Fernandez got to third. Carvalho took base on balls and then stole second. Ennsue whacked to short who threw home trying to stop a run, but Grady dropped the ball letting Fernandez get safe. Gleason, Williams and Aylett all struck out leaving two men on bases.

FIFTH INNINGS.

Hampton struck to second but Gleason did not catch the ball when thrown to first. Joy tried to catch Hampton by throwing to first but Gleason was asleep and missed the ball so that Hampton got home before the ball appeared on the diamond. Cusack lined one to short who made a bad throw letting him get safe; he stole second and then third. Gleason left first base and Fernandez was put in his place. Roberts struck out. Grady made a two bagger into leftfield bringing Cusack home. Ryan flew out to rightfield. Delorie hit to short who put him out at first.

Joy tapped the ball but Hampton got the ball to first in time to stop Joy. Louis took his base on balls. Williams hit to short who threw to second putting Louis out. Fernandez flew out to second.

SIXTH INNINGS.

Robinson hit to Ennsue who fumbled the ball. Dehart struck to short who threw to second putting Robinson out. Hampton flew out to centerfield. Cusack bled one to Aylett who made a fine catch putting him out. Clark struck out. Ennsue sent one into leftfield who dropped it. Fernandez tapped but Hampton was on to him and put him out at first. Williams sent one to Roberts who put him out at first.

SEVENTH INNINGS.

Cogswell struck to Ennsue who put him out at first. Roberts hit a fly to short who made a desperate attempt

to catch it but failed. Grady hit to rightfield putting Roberts on third but was put out at second. Ryan made a base hit to leftfield, bringing Roberts home. Delorie flew out to leftfield.

Aylett was hit by the ball and took his base. Joy sent one to rightfield which put Aylett on second. Louis took his base on balls making full bases and no outs. Williams made a safe hit into centerfield bringing Aylett and Joy home. By a succession of wild throws on the part of Hampton, Louis and Williams got home. Fernandez took base on balls but was caught off his base by Hampton. Clark took base on balls and then went to second on a passed ball. Ennsue sent a bad ball to Ryan who made a fine throw

putting him out. Fernandez struck out.

EIGHTH INNINGS.

Robinson struck out. McNamara lined one to short who fumbled it. Hampton put one safely behind second, putting McNamara on second. Cusack sent a two bagger into leftfield. Hampton and McNamara home. Cogswell flew out to leftfield. Roberts hit to Ennsue who threw to first putting him out. Williams and Aylett hit to Cogswell who touched first putting them out. Joy flew out to rightfield.

NINTH INNINGS.

Grady flew out to second. Ryan hit to second who pitched to first putting him out. Delorie struck out ending the game for the H. A. C's did not have to play their half.

STRANGE THINGS IN THE MAILES.

We find some strange things in the mails," said a railway mail clerk who was visiting a friend in the cloak-room. "This morning I found a tramp in my car, and delivered him to a policeman, as he had no tag or other address, and no postage had been paid on him. We were throwing out mail at the Penny depot when I grabbed a canvas bag too heavy to yank out. "On second view it proved to be a tramp who had hidden under the bags at Charlestown, expecting to steal a ride to New York in that way."

OFFER TO WEAK MEN

Do you want to be
"A Man Among
Men?"
Write To-day

Everybody Admires
and Honors a
Strong Man.
Are You One?

I WILL PAY \$1,000 FORFEIT

For a case of Nervous Debility, Rheumatism, Lame Back, Lumbago, Sciatica, any case of Kidney Disease (that has not gone as far as Bright's Disease), Indigestion, Constipation, or any weakness which I cannot cure with my new improved Electric Belt, with electric suspensory for men (no charge), the marvel of electricians, the most wonderful curative device that has ever been introduced.

Give me a man broken down from dissipation, hard work or worry, from any cause which has sapped his vitality. Let him follow my advice for three months and I will make him as vigorous in every respect as any man of his age.

I will not promise to make a Hercules of a man who was never intended by nature to be strong and vigorous. Even that man I can make better than he is; but the man who has been strong and has lost his strength I can make as good as he ever was.

I can give back to any man what he has lost by violation of the laws of nature. I can stop all drains upon his vitality in ten days.

A man who is nervous, whose brain and body are weak, who sleeps badly, awakes more tired than when he went to bed, who is easily discouraged, inclined to brood over imaginary troubles, who has lost ambition and energy to tackle hard problems, lacks the animal electricity which the Dr. McLaughlin Electric Belt supplies.

The whole force of vitality in your body is dependent upon your animal electricity. When you lose that by draining the system in any manner my Belt will replace it and will cure you.

Mr. Harry U. Jackson, Vallejo, Cal., writes October 1: "Although you are a stranger to me, my heart warms toward you as a great benefactor and friend, and I am more than grateful to you. Already I feel the vigor of new life in my body; no aches and no pains. I wish you every success in your work."

Letters like that tell a story which means a great deal to a sufferer. They are a beacon light to the man who has become discouraged from useless doctoring. I get such letters every day.

My Belt has a wonderful influence upon tired, weak nerves. It braces and invigorates them, and stirs up a great force of energy in a man.

I make the best electrical body appliance in the world, having devoted twenty years to perfecting it. I know my trade. My cures after everything else has failed are my best arguments.

Mr. Roy Burks, McKittrick, Cal., writes: "From the first night I wore the belt I felt new life in every part of my body. The weakness was checked immediately, and I am now able to do heavy work without tiring. I am glad I thought of the belt, for in no other way could the money bring me so much pleasure."

Give me a man with pains in his back, a dull ache in his muscles or joints, "come-and-go" pains in his shoulders, chest and side, Sciatica in his hip, Lumbago, Rheumatism, or any ache or pain, and my Belt will pour the oil of life into his aching body and drive out every sign of pain. No pain can exist where my Belt is worn.

Mr. J. L. Baird of Orland, Cal., writes October 13: "My back is entirely well, and I would not take \$100 for my belt if I could not get another. It is the best thing on earth for a lame back."

And these "old" men, these men who have burned the candle at both ends—or even if they haven't—these men who for one reason or another feel that life has lost its spice, that they are getting old too fast. I can make them feel the sparkle and fire of youth again.

I'll never forget when when Mr. A. Crawford of Pockegama, Oregon, an old man of seventy, wrote to me and said: "When I wrote to you last I told you to send me a Belt to make an old man young, and you did. I am seventy years old, and since I have worn the Belt I feel as strong as I did at thirty-five, and can do as good a day's work as I could at that age." It was two years ago that Mr. Crawford wrote me that letter. Here is one I just got from him:

"In reply to your letter I am glad to say that I am just as much in favor of your Belt as I ever was, for it has been a remarkable help to me. I am 72 years old, but I do not look any more than fifty. Am enjoying perfect health, and will continue to recommend the Belt, as I have been doing right along, as I realize that but for it I should have been dead and buried by this time."

They come every day from everywhere. There is not a town or hamlet in the country which has not cures by Dr. McLaughlin's Electric Belt.

Now, what does this mean to you, dear reader? If you are not what you ought to be, can you ask any better proof to make you try it? Is there a remedy which is as simple, as easy to use, as sure to cure and as cheap as Dr. McLaughlin's Electric Belt? I have not seen one. You must try it. In justice to yourself, and to those who look to you for their future happiness, try it now. Act this minute. Such a matter ought not to be delayed.

It's as good for women as for men. Worn while you sleep, it causes no trouble. You feel the gentle glowing heat from it constantly, but no sting, no burning, as in old-style belts.

Come and see me if you can. I have a private consulting room in which I will explain my method of treatment and, perhaps, give you the names of some of your friends whom I have cured.

Send for my beautiful book full of things a man likes to read if he wants to be a strong man. I send it free. Cut out and send this ad.
